

Violence in Nigeria's Katsina State - July 7, 2020

In the northern part of Nigeria, 15 farmers have been shot dead by armed criminals. The incident occurred in the working field of Yargamji village on Monday after 200 gunmen opened fire on farmers. During a couple of months, more than 100 farmers have been shot dead in Nigeria's north-west Katsina State as a result of similar attacks.
