

Political uncertainty continues in Kosovo as Thaçi offers mandate to LDK! - 23 April 2020

President of Kosovo Hashim Thaci on Thursday asked the Democratic League of Kosovo (LDK), the former junior partner in the ruling Vetvendosje-LDK coalition, to form a government. The LDK chose Avdullah Hoti for the post of Prime Minister. When asked about potential protests, acting PM Albin Kurti said, "Citizens have never been angrier; I can't stop them from protesting, but I can't say that this protest was organized by us."
