

Human Rights School Has Been Successfully Completed!

Human Rights School organized by the cooperation of INSAMER, International Refugee Rights Association, Lawyers Association and Young IHH is completed. At the school, which started on December 26, 2020 and hosted expert lawyers in 8 different sessions, the phenomenon of human rights was discussed with different dimensions from its history to theoretical discussions and practical applications. At the Human Rights School, which ended on January 16, 2021, 1100 students were entitled to receive certificates.
