The Presentation on the Dynamics of Conflict in the Middle East and the Problems of Refugeeship was held.

INSAMER's Middle East Researcher Kadriye Sınmaz made a presentation titled "Dynamics of Conflict in the Middle East and the Problems of Refugeeship" in the program organized by Konya Genç IHH. Drawing attention to the fact that the number of displaced people all around the world is more than the total population of many countries, Sınmaz explained the causes of conflicts triggering refugee flows. The problems of refugees and the possible solutions are discussed with the participants.
